Indra Ganesan

COLLEGE OF ENGINEERING

ABOUT THE COLLEGE:

Indra Ganesan College of Engineering, [IGCE], a leading and organized educational institution is run by Indra Ganesan Educational & Charitable Trust, which has consistently followed a growth path owing to our philosophy of constant innovation, up gradation and well defined quality policy. We believe in educating students with necessary skills to advance to “State of the Art” in Engineering. As per the recent academic performance list by Anna University, Chennai, our College has ranked 39th position among 506 Engineering Colleges in Tamil Nadu.

ABOUT THE WORKSHOP:

This workshop is well structured, focused and result oriented. The workshop focus on different aspects of Intellectual Property Right (IPR), as how to convert the research works / project works to patents and hands on training on patent searches for innovation. This workshop will bring a positive transformation in the participant’s attitude in their project and research works and get them more focused as well as result oriented.

TARGET AUDIENCE:

Faculty members, Research scholars and final year UG and PG students, who are all interested to do quality research / project work, are welcome to attend and to be benefitted

RESOURCE PERSON

Dr.M.Kantha Babu, Ph.D.
Director,
Centre for Intellectual Property Right,
College of Engineering, Guindy,
Anna University, Chennai – 600 025

About Resource Person:

Dr.M.Kantha Babu has obtained B.E. degree from Coimbatore Institute of Technology and Master’s and Ph.D. degrees from Indian Institute of Technology, Madras. He has published more than 100 research articles in reputed International and National Journals and Conferences. He has applied for few patents, Patent design and copy rights. Presently he is handling Government sponsored projects worth Rs.2 crores. He has 26 years of experience in teaching and research. He is recipient of “Indian National Science Academy” award.

He is dynamic, result-oriented, energetic and motivational speaker. His session has proved to be an ‘eye opener’ for the research aspirants and students. CIPR has recognized him as ‘Facilitator for Start-ups’. He has recognized institutions by awarding “Anna University Intellectual Property Award” every year for the two best performing colleges in each region.

CONTENTS OF THE WORKSHOP:

- Overview on IPR
- How to convert research / project work into patents
- Copyrights and Trademarks
- Hand on training on Patent search for Innovation

BENEFITS & TAKE AWAY:

- To convert project / research works into patents
- To get better ranking in the National Institutional Ranking Framework (NIRF)
- To get top class Accreditation and NAAC.
- To convert patented works into commercialization.
- To generate funds from commercialization.
- To bring long term benefits to the College at par with top class Universities
- To attract young talents into the College
